Dear parents/carers,

Life Education NSW, Healthy Harold Program, will be visiting our school Monday 4th September to Wednesday 6th September 2023. Students from Preschool to Year 6 will attend. Life Ed offers a range of age-appropriate primary school modules aligned to the Australian and state-based Curriculum across the Health and Physical Education Learning Area and General Capabilities. Each module is designed to inspire and empower students, providing knowledge, skills and strategies around topics of physical health, safety and social and emotional wellbeing, all through interactive learning experiences. The modules include pre and post visit lessons to deepen classroom learning and support students to thrive

The 90 minute interactive program is an interactive session facilitated by the Life Ed Educators. The session includes storytelling, music and songs, energetic active games and hands-on learning experiences.

Stage 2 Program: 'Friends and Feelings' In this NEW and UPDATED social and emotional learning module, students discover the importance of social and emotional skills when navigating friendships. Students explore how to recognise, regulate and self-manage emotions and behaviours in a variety of situations.

Stage 3 Program: 'Decisions': In this module, students investigate a range of drugs, the laws around these drugs and the different ways they impact the body and brain.
