

Stage 3 Geography Project: Discovering Countries

Project Overview: In this project, you will explore different countries to understand their geography, culture, and significance. By choosing a country, you will delve into its unique features, including its landscape, people, economy, and tourism. This project aims to broaden your knowledge of the world around you and enhance your research and presentation skills.

Why Are We Doing This Project?

- ✓ To learn about different countries and their significance.
- ✓ To understand how geography influences various aspects of a nation.
- ✓ To improve research, presentation, and communication skills.
- ✓ To appreciate the diversity and richness of cultures worldwide.

Project Outline:

1. **Introduction:**
 - Explain why you chose the country and why it's significant to you.
2. **Map:**
 - Include a map showing important geographical features like climate, mountains, rivers, and deserts.
3. **Country Profile:**
 - Economic development
 - Employment
 - Population
 - Lifestyle
 - Culture
 - Indigenous people
 - Politics
4. **Tourism:**
 - Discuss tourism activities based on the country's geography.
5. **Interesting Facts:**
 - Share fun and unique facts about your chosen country.

Resources for Research:

- Encyclopedias
- Geography textbooks
- National Geographic website
- CIA World Factbook
- Official tourism websites
- Documentaries and travel shows

Geography Project Marking Rubric for Stage 3

Name: _____ Class: _____

Aspect	Needs Improvement (1)	Satisfactory (2)	Good (3)	Excellent (4)
Introduction	Little explanation of country choice and significance	Some explanation of country choice and significance	Clear explanation of country choice and significance	Detailed explanation of country choice and significance
Map	Incomplete or inaccurate map	Map shows basic geography, but lacks detail	Map accurately depicts key geographical features	Detailed and well-labeled map enhances understanding
Country Profile	Incomplete or superficial coverage of profile elements	Basic coverage of profile elements	Adequate coverage of profile elements	Comprehensive coverage of all profile elements
Tourism	Limited discussion on tourism activities	Describes some tourism activities related to geography	Discusses most tourism activities based on geography	Thoroughly explores tourism opportunities with clear connections to geography
Interesting Facts	Few or no interesting facts provided	Presents some interesting facts about the country	Shares several engaging and unique facts	Provides a variety of captivating and surprising facts
