From the Principal

Holiday

With only 5 days left of Term 3, the holidays will be here before we know it. I would like to thank all of our students and families for another fabulous term, and wish you all a safe and happy holiday period. I would also like to remind all families that the Labour Day Public holiday falls on what would be our first day back for Term 4. As such, all students and staff will resume school on TUESDAY 7TH OCTOBER for what will be another busy term!!

Pirate Day

This Friday is International Talk Like A Pirate Day. All students are invited to participate in this fun day. Please see the additional note that has been sent home with information. This is a FREE day to participate in.

OOSH

I am pleased to announce that in 2015, **WE WILL HAVE AN ONSITE OOSH AT RYDALMERE PS!!** The panel, made up of staff, parents & DEC personnel, met on Thursday last week to review the tenders put forth for a service at our school. While I am unable to disclose the successful service winner yet, I can with 100% certainty guarantee our community that this service will be here in 2015 and beyond. I will update you with more information when I can.

Movie Night

Our Movie Night with giant blow up screen was a huge success. Thank you to all of our families who joined in this community event and helped our P&C to raise more funds towards the remediation of our school oval. I would like to personally thank the Movie Night organising committee for their organisation of this event. Many other parents also volunteered their time to help the night run. Finally, thanks goes to our students who contributed to the night by decorating donation tins (K/1), making signs (1/2), blowing up balloons (2/3/4) and running the temporary tattoo stall (5/6).

Kinder 2015

Now is the time to enrol. It is vital for us as a school to have an accurate prediction of student numbers for 2015 so that we can effectively organise our staffing and resources. We are only 4 students away from being given another teacher and therefore a fifth K-6 class. In order for us to achieve this, we rely on you to make sure you have submitted the enrolment forms for your children who will be starting Kindergarten in 2015. If you have, or know of any children who are due to enrol in Kindergarten in 2015, please submit the paperwork asap.

CTA

Our lovely choir students did us proud at Celebrating the Arts. We look forward to performing some of our songs for the school community soon.

Bunnings Cake Stall

Thanks you to all families who contributed to the success of our Bunnings Cake Stall by way of donation (of cakes, slices, biscuits) or through volunteering their time to 'man' the stall at Bunnings Rydalmere. Thank you to Jenny Mercer for leading this, enabling us to achieve another wonderful result in fundraising for our school.

Notes at office

Please deposit all notes and money for the office into the 'mailbox' on our school office wall. This is the secure way to leave monies and notes until these can be collected and receipted. Thank you for your assistance with this.

What's Happening in 1/2R??

1/2R Narratives

Children in 1/2R have been reading lots of narratives including fairy tales and Dreamtime stories. The students wrote their own stories about an animal. Below are many fantastic stories written by the students in 1/2R.

Danny the Sheep Dog

By Jared Prout

Once upon a time there lived a sheep dog. His name was Danny. He loved eating pork chops and he loved rounding up the sheep. His farmer's name was Bob.

One day Danny was rounding up the sheep and he couldn't run fast. The sheep were running faster than Danny.

Bob the farmer was running to Danny and said, "What has happened Danny? Have you got a sore leg?"

The farmer put a bandaid on Danny's leg and Danny rested until his leg was better. The next day Danny was feeling much better and he could round up the sheep again. He had a happy life.

Clarice the Cow

By Odessa Mateo

Once upon a time there lived a cow. Her name was Clarice. The farmer's name was Robert Jones. Everyday Clarice ate fresh grass.

The farmer planted a big tree with lots of red, juicy apples. The farmer gave some apples to Clarice. Clarice lived in a barnyard with some hay.

One day when Clarice was eating the red, juicy apples, she was poisoned!! She felt like she was dying. The farmer was trying to see what was wrong with her. Suddenly there was vet. The vet knew what was wrong with her. The vet put some special medicine in her mouth.

Clarice was feeling better. She could run around the field. She was so happy that she could run from one side of the farm to the other.

Grassy the Green Sheep

By Cameron Smith

Once upon a time there was a green sheep called Grassy. He loved make green carpet and green jackets.

One day Grassy the Green Sheep was stuck in a hole in his paddock and he was too scared to move.

He was so worried because he couldn't make green carpet and green jackets if he was stuck in a hole!

At first he wriggled his front hoof and then wriggled the other front hoof and realised he wasn't stuck after all. He was happy to be out of the hole so he joined the rest of the sheep in the paddock.

Wilbur the Wombat

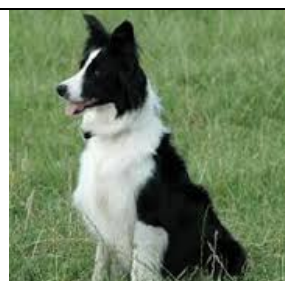

By Rhys Fourro-Huggett

Once upon a time there was a wombat named Wilbur.

He sleeps in a house. He helps his friends.

One day the door to his house did not work so he dug a hole in the ground and came out of the house.

Wilbur was happy that he had a new way to get in and out of his house.

Donny the Sheep Dog

By Tiahna Thompson

Once upon a time Donny the Sheep Dog lived on a farm near the paddocks.

She loved to round up everything! But...

She hurt her leg so she couldn't run. If Donny couldn't run, she couldn't round up anything!

The farmer called the vet. The vet said she is all better. Donny could run. She was so happy. She ran around the paddock in freedom.

What's Happening in 1/2R??

Harry the Horse

By Oceana Franklin

Once upon a time there was a horse called Harry the Horse. Harry lived on a mountain. Every morning he walked up the mountain but he never wants to come back down.

When Harry woke up, the farmer came up on top of the mountain. When Farmer Sam was walking, he heard a crack. Harry and Farmer Sam fell into a big hole!

There was ice inside the hole. Harry and the farmer began to ice skate on the ice. When they stopped ice skating, Farmer Sam hopped on Harry's back and the rode out of the hole.

When they got out of the hole, Harry was hungry so Sam gave Harry some apples and hay.

Charlie the Chick

By Terry Tahatos

Once upon a time there was a chick named Charlie. Charlie lived in a nest. Charlie liked to play with his friends.

Charlie started to grow into a noisy rooster but Charlie still had his yellow fluffy baby feathers. Everyone was teasing him because he didn't have grown up rooster feathers like his friends.

Charlie felt sad that his friends were teasing him. He knew he would grow his rooster feathers soon. Sometimes Charlie cried when he was going to sleep at night.

After a few weeks, all the rooster friends forgot all about the yellow fluffy feathers. They knew Charlie was a good friend and in time he would grow his rooster feathers.

Ally the Alpaca

By Paige Pursey

Once upon a time there was an alpaca called Ally. She lived on a farm with a lady farmer.

Ally the Alpaca loved to eat daffodil flowers in the spring time but the daffodils were not growing this spring.

She was sad and hungry.

The farmer bought new daffodil bulbs and planted them ready for new daffodils to grow. Ally knew she was going to have delicious daffodil to eat soon.

Rocky the Rabbit

By Sejin Oh

Once upon a time there was only one Rocky the Rabbit in a rabbit rock band. His rock and roll friends were Rick and Dock.

Rocky, Rick and Dock all went to a rock and roll school. Their teacher's name was Mrs Singer.

One day the rain came and Mrs Singer was sick so Rocky, Rick and Dock couldn't go to school and play in their rabbit rock band.

Mrs Singer took some medicine to get better and Rocky the Rabbit and his friends could play in the rock and roll band again.

Danni the Dolphin

By Anna Lee

Once upon a time there was a dolphin called Danni. She loved to swim. Danni lived in the ocean.

She lived with her mother but one day her mother was gone. Danni tried to find her mother but she couldn't see her anywhere.

Danni searched for days and months swimming through the ocean and calling for her mother.

One morning Danni found her mother and they lived happily ever after.

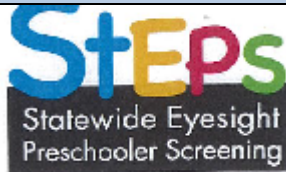

What's Happening in Preschool?

Celebrating Father's Day

Preschool recently celebrated Father's Day. Dads were invited to attend for an afternoon to share in a play session, watch the children perform and share afternoon tea. Thank you to all the fathers who joined us.

Committee's message

The next P&C meeting is on Thursday 18th September at 6:30 in the Library. Planning is starting for next year. All committee positions are available for nomination, we are doing this early this year so that people coming into the positions next year have term 4 as a changeover period so they still have the old position holder here to help them transition into their new role.

School banking

Melissa is back from holidays. Thanks Paula for doing the school banking. The banking rewards for term 4 that the students can choose from are a money box, swim bag, projector cup or sea streamers, so get banking as you only need 10 deposits to claim your reward.

Canteen

A snippet of the new look canteen.

The year 6 students are now selling snacks on Thursday lunch times.

Parents are welcome to place a lunch order on special event days when they come to school for a concert and picnic lunch. Order something warm on a cold day and have it ready to eat with your children.

Uniform shop

The uniform shop is open every Friday morning between 8:50 and 9:15.

Old uniforms can still be donated to Rotary so leave them in the uniform shop if you would like to donate them.

Fundraising

Our main fundraising goal this year is shelter and drainage for the oval. This will make the oval more versatile.

The Bunnings cake stall was a great success with over \$700 raised. Thanks to everyone who made cakes, came to help and those who bought cakes.

Upcoming events

Bunnings BBQ – Saturday 11th October

Family Photos – Saturday 18th October

Halloween Disco – Friday 31st October

Movie night

Initial feedback from the students is that the movie night was 'cool, fun and awesome'. It was great to see the community involved with local scouts, soccer, league and basketball groups all involved and providing entertainment for people. The raffle was drawn and some people went home very happy. All the families that came to our first movie night enjoyed themselves.

A huge thank you to all the people that made this event possible, from the planning, organising the raffle and corporate sponsorship and those that volunteered to help on the night. Social events like this enhance the school experience for the students, they showcase the school to the wider community, they bring awareness of the P&C and some of the things that the P&C do for the school and the students and lastly they help raise much needed funds for the school. Without your help and support we wouldn't be able to put on events like this.

We would love to know your thoughts on the movie night. There is a feedback form in the office, all completed forms go in the draw to win a \$10 McDonalds voucher. It will be drawn this Friday, the 19th.

For a perfect finish ! Introducing

Pavecoat H₂O

Nutech Paint has developed a revolutionary new water based penetrating concrete sealer, Pavecoat H₂O. This single pack water-based acrylic concrete sealer has been developed to achieve excellent penetration and adhesion to concrete to overcome the problems associated with traditional organic solvents solutions based concrete sealer Pavecoat H₂O is developed using NANO technology, rapid hardness development, good chemical resistance and excellent adhesion to concrete and masonry surfaces. Most importantly the sealer has low odour, non-toxicity and non-flammability characteristics.

Pavecoat H₂O is cost effective and there is no need for solvent thinners or disposing of brushes and rollers. Unlike solvent based sealers that covers an area of 4m² per litre. Pavecoat H₂O can be thinned with water and covers an area 6m² per litre. This equates to a cost saving of 33%. When cleaning up only use water to wash your tools. These tools can then be reused.

Nu-ecoPaint Architectural Range

Nu-ecoPaint environmentally friendly, low VOC (Volatile Organic Compound) is 100% pure acrylic high quality interior coating suitable for plaster, timber, masonry, brick or other similar building surfaces. Available in a wide range of colours, this paint has excellent covering power, low splatter and simple water wash-up

Nu-ecoSafe-Strip

The chemical paint and coating strippers that have been produced over the years can only be described as harmful to both the environment and to the general health and safety of workers. Government regulations are now forcing all users to seek less harmful alternatives to the harsh and toxic chemicals used in the past. Nutech Paint has developed a most effective, water bases Nu- ecoSafe-Stripper solution.

FOUR STEPS OF COATING REMOVAL

- 1) Apply Nu-ecosafe-stripper to surface approximately 3 to 5 millimetre thick
- 2) Allow the Nu-ecosafe-stripper to do it's magic, penetrating through the coatings
- 3) The coating adhesion to the surface is released from the substrate
- 4) Scrape and high pressure wash surface ready for recoating

Nutech Paint would like to offer all Rydalmere Public School Staff and Parents a

10% discount on all purchase. Present this voucher to **Nutech Paint** at

18 South Street, Rydalmere
