From the Principal

The wet weather has certainly kept us indoors over the past two weeks. How beautiful it was to feel the warmer weather over the weekend, welcoming us today to the first day of Spring!

SASS Recognition Week

This week is SASS Recognition Week. This is a time when we recognise the outstanding work done by the School Administrative and Support Staff at the school. This year the theme for SASS Recognition week is "Stepping Up to the Challenge", which our SASS do every day at Rydalmere.

We are very fortunate to have a wonderful team of SASS at Rydalmere. These staff members go above and beyond each day to assist with many aspects of school life. We sincerely thank:

- Our Office administration staff: Mrs Kushturian and Mrs Camporeale
- Our School Learning Support Officers: Mrs McKay and Mrs Ou (casual)
- Our General Assistant: Mr Foster

Please join me in giving thanks to our SASS.

Celebrating the Arts

Our choir will tonight perform at the 'Celebrating the Arts' concert at Riverside Theatres. This is sure to be a fantastic event. We look forward to performing some of our new repertoire at school next term for those who are unable to hear our performance tonight.

Golf Fundraiser for Wil

The school held a successful fundraiser for Wil on Friday. It was a fun day of Putt-Putt, hot dogs and spiders. Thanks to the generosity of our families (and Putt Putt Ermington for their donation of the putting hole), we have raised nearly \$400 to assist Wil with the costs of getting to the State Golf Championships next week. We wish Wil a successful tournament and look forward to hearing all about it.

Soccer

It was a proud day for Rydalmere last Thursday as we ran onto the field in Yass to play Adelong PS in the semi-final of the PSSA Small Schools Knockout. We hit the field running and for the first 15 minutes, it was a very even match.

Adelong were a competitive team and by the blow of the final whistle had defeated us convincingly. We wish them well in the final later this term. I am so proud of all of our team members for the effort and determination they showed in each game. Everyone was an exemplary representative for our school in the sportsmanship they showed, the fair play exhibited and the Respectful, Responsible and Safe behaviour exhibited at all times. Well done to our wonderful soccer team – bring on 2015 soccer season!!

Father's Day Stall

The Father's Day Stall will be held this week on Tuesday 2nd and Friday 5th September, with the main day for sales being on Tuesday. This is a great opportunity for our students to purchase a special gift for their dad or significant male in their life, to celebrate this special day on Sunday 7th September.

There is a HUGE amount of work that goes into preparing a Father's Day Stall. I would like to thank to Mrs Ly, Mrs Thompson and all the parents who have assisted with the wrapping of the gifts. Look out for further information in the newsletter below.

What's Happening in Preschool?

Preschool News

On Thursday 28th August Preschool, Kindergarten and Year 1 had a visit from magician 'Magic Craig' who performed "That Magic Smile". This was an educational magic show teaching children about the importance of cleaning and looking after their teeth. This was such an amazing show and had both children and teachers totally captivated.

The children learnt a small rhyme to help them remember,

*"To make your smile healthy and bright,
Brush your teeth morning and night."*

For a perfect finish ! Introducing

Pavecoat H₂O

Nutech Paint has developed a revolutionary new water based penetrating concrete sealer, Pavecoat H₂O. This single pack water-based acrylic concrete sealer has been developed to achieve excellent penetration and adhesion to concrete to overcome the problems associated with traditional organic solvents solutions based concrete sealer Pavecoat H₂O is developed using NANO technology, rapid hardness development, good chemical resistance and excellent adhesion to concrete and masonry surfaces. Most importantly the sealer has low odour, non-toxicity and non-flammability characteristics.

Pavecoat H₂O is cost effective and there is no need for solvent thinners or disposing of brushes and rollers. Unlike solvent based sealers that covers an area of 4m² per litre. Pavecoat H₂O can be thinned with water and covers an area 6m² per litre. This equates to a cost saving of 33%. When cleaning up only use water to wash your tools. These tools can then be reused.

Nu-ecoPaint Architectural Range

Nu-ecoPaint environmentally friendly, low VOC (Volatile Organic Compound) is 100% pure acrylic high quality interior coating suitable for plaster, timber, masonry, brick or other similar building surfaces. Available in a wide range of colours, this paint has excellent covering power, low splatter and simple water wash-up

Nu-ecoSafe-Strip

The chemical paint and coating strippers that have been produced over the years can only be described as harmful to both the environment and to the general health and safety of workers. Government regulations are now forcing all users to seek less harmful alternatives to the harsh and toxic chemicals used in the past. Nutech Paint has developed a most effective, water bases Nu- ecoSafe-Stripper solution.

FOUR STEPS OF COATING REMOVAL

- 1) Apply Nu-ecosafe-stripper to surface approximately 3 to 5 millimetre thick
- 2) Allow the Nu-ecosafe-stripper to do it's magic, penetrating through the coatings
- 3) The coating adhesion to the surface is released from the substrate
- 4) Scrape and high pressure wash surface ready for recoating

Nutech Paint would like to offer all Rydalmere Public School Staff and Parents a

10% discount on all purchase. Present this voucher to **Nutech Paint** at
