PRINCIPAL'S REPORT

The holidays are nearly here.....

Our mid-year holiday is almost upon us!! I would like to wish all of our families a happy and safe holiday break. To the wonderful RPS students, don't forget to read something every day and then tell an adult what you read. It could be a book, magazine, paper or an online article. Remember to use our school values of being safe, respectful learners at home during the holidays. Keep warm and we look forward to seeing you all back here for Term 3 on Tuesday 19 July.

P&C Election Day BBQ

Volunteers are URGENTLY required for this event. Please see Jo-Anne or email rydalmerepandc@hotmail.com if you are able to assist.

Reports

Individual student reports will be sent home on the last day of term. Please take time to celebrate your child's achievements. Teachers are happy to meet to discuss reports next term.

Changes to Payments

Please make sure you have read the note distributed to families on 10 June so that our transition to the Department of Education's new financial management system is smooth.

10th June 2016

Dear Parents and Carers,
Rydalmere Public School will transition to the new NSW public schools' finance system and a new bank account on 5 September 2016.
To ensure a smooth transition, there will be changes to the way we accept parent or carer payments.

1. Direct deposits: As of 31 August 2016, we will no longer accept direct deposits into our current school bank account as we prepare to close this account and transition to the new one. Any payments made using direct deposit after this date cannot be properly allocated to a student's account in a timely manner. Please ensure you have made any outstanding direct deposits before 31 August 2016.
2. EFTPOS payments: We are pleased to advise that from 6 September 2016, EFTPOS payments will be accepted at the school office.
3. Cash and cheque payments: Between 31 August 2016 and 5 September 2016, we will also not be able to accept payments by cash or cheque as we prepare to close our current bank account and transition to the new one. Please ensure that you have made any outstanding cash or cheque payments before 31 August 2016. From 6 September 2016, cash and cheque payments will be accepted as before.
4. Online payments: As of 5 September 2016, we will begin to accept online payments using the Department of Education's Parent Online Payment (POP) system. A button to access this online payment system titled 'Make a Payment' will be visible on the utility bar on the front page of our school's website at <http://www.rydalmere-p.schools.nsw.edu.au/>. By selecting this link, parents and carers will be taken to a secure Westpac QuickWeb payment page, from which they can make online payments.

Please note: As a Westpac-hosted solution, cardholder and account details will be held securely, helping to protect the school and its customers from fraudulent transactions as well as assisting in meeting the Payment Card Industry Data Security Standard (PCI DSS) compliance requirements.

Thank you for your patience and understanding as we transition to our new finance system. We are hopeful the addition of an online payment facility will prove of benefit to families. If you have any questions, please contact the school office on 9638-1568.

Kind Regards

NAIDOC

On Thursday 23 June, Rydalmere began our NAIDOC Week acknowledgements with a NAIDOC themed day, which culminated with a performance by Walangari. I would like to thank Miss Smith for her organisation of the day and the performance.

Our students participated in meaningful activities, designed to enrich their knowledge and understanding of Aboriginal people. NAIDOC Week is celebrated during the Term 2 holiday period. We respectfully acknowledge this by holding our event prior to the holiday break. I encourage families to attend local NAIDOC celebrations being held if you can.

XO Laptops

The next generation of XO Laptops are almost here. Our students in years 3-6 will be the first to experience the 'XO Infinity'. A more superior device, with many more functions (detachable screen as well), the Infinity will be the perfect device for our primary students. This commitment from the school is worth \$20,000 and will be such an important resource for our students. Below is a picture of the Infinity to the front and the XO to the back. Our order is due in early Term 3!!

Gonski

Last week we celebrated National Gonski Week. What does that mean?

'Gonski' is the surname of the man who chaired a review into the funding system used for Australian schools. The review panel published a report in 2011 with a series of recommendations. Gonski does two key things:

- (1) It recognises students have different starting points in life and
- (2) it sets a resource standard to see students realise their potential for themselves and our nation.

Its implementation is supported by all school education sectors and jurisdictions across Australia. Gonski addresses the burden on health care, social welfare and the justice system. It deals with the cause, not the symptoms.

Gonski is in its third year of implementation. Over the three years our school has received increasing amounts of funding each year. This year we have received in various allocations, a total of **\$61,000** of Gonski funding. There are also system enhancements such as improvements to the school counselling service funded by Gonski. The delivery of the Gonski funding was scheduled over six years, increasing each year. **The funding we have this year is only 18% of the total funding the school is to receive.** 65% of Gonski funding is coming for the Federal government and 35% from the State government.

Gonski is making a profound difference to how our school supports our children and the results our children achieve. Further information can be found on various websites including www.igiveagonski.com.au

Saturday 2nd July – Election Day BBQ and Cake Stall at school

Thursday 21st July – P&C General Meeting 6.45pm school Library –ALL WELCOME

P&C Committee Update

The P&C would like to welcome our newest member Glen Spurdle, who has also taken on the Role of Treasurer.

All members of the school community are welcome to join our P&C and help decide on Fundraising events and what school resource we invest the money in. Membership is only \$1.

POSITIONS VACANT

Vice President – Provides support and assistance to the President

Please see Michelle Ly, for a full job description.

P&C General Meeting – Thursday 21st July

Our next P&C General Meeting will be held on Thursday 21st July in the school Library.

Please arrive at 6.45pm for a 7pm start.

VOLUNTEERS NEEDED

Volunteers are needed for the Election Day BBQ and Cake Stall on Saturday 2nd July.

When you come to vote on Saturday, can you spare 30 minutes or more and help out at the BBQ and Cake Stall. We need volunteers to help sell food and drinks to voters and/or cook sausages.

Donations of cakes, slices, biscuits, etc are needed to sell on Election Day. Donations of baked goods can be dropped off at the P&C/Hub room (the purple building) on Friday or brought up on Saturday when you come to vote.

Please see Joanne (mum of Rhys Yr3, Luke Yr1, Mitchell Preschool) if you can help.

Volunteers are needed in the school canteen for any school day to prepare lunch orders.

Please see Nichole if you can help.

Volunteers are needed to cut the fruit and vegetables.

The fruit and vegetables have been donated to our school by Woolworths Ermington for the students to enjoy at crunch and sip time. Cutting can be done between 8.45am and 9.15am daily in the school canteen.

Please see Karen the Hub Leader if you can help.

Volunteers are needed to serve breakfast.

The cereal has been donated to provide breakfast to any child that has either not had time for breakfast or is still hungry before school starts each morning. Breakfast is served from no later than 8.45am to 9am each morning in the school canteen.

Please see Karen the Hub Leader if you can help.

Remember money raised goes back into the school to assist with the purchasing or upgrading of school resources where funds provided by the government are insufficient.

Uniform shop

The uniform shop is open every Friday morning between 8:50 and 9:15. If you can't make it at that time, and need to make a purchase, let Maryanne, or leave a message at the office and she will organise a time to suit you both.

If your child has grown out of their school uniform, why not donate it to the uniform shop. All money raised from the sale of uniforms is donated back to the school to help supply resources and equipment that government funding does not cover.

BREAKFAST CLUB

Free Breakfast for the children. If your child doesn't get a chance to eat in the morning come on down to the canteen between 8:45 and 9:00 on **MONDAY, TUESDAY WEDNESDAY and FRIDAY** for a bowl of nutritious Corn Flakes, Sultana Bran or Rice Bubbles.

Toast is available on **MONDAY** and **WEDNESDAY only**.

ICECREAMS

Year 6 students are selling ice-creams on **TUESDAY** and **FRIDAY**. Prices range from 50c to \$1.50.

CANTEEN

Canteen is opened every **TUESDAY** and **FRIDAY**, for **LUNCH ORDERS ONLY**.

Keep an eye, and ear, out for special days, the canteen will be opened, and special menu items. Volunteers are needed to open the Canteen on other days.

If you are able to spare a few hours one day, please let Nichole know.

School holiday money lessons for your kids

Simple ideas for encouraging your kids to earn and save money in their spare time.

The school holidays are always fun for kids, full of free time and opportunities to try new things. As a parent, it makes sense to use this time to your advantage when teaching your children about money. If you're keen to get your children thinking about earning and saving during their break, here are a few tips on how you can do it.

Holiday money lessons for primary school-aged kids

The promise of doing something they love and earning a bit of extra pocket money in the process is often all you'll need to motivate your primary school-aged child. Get them excited by talking to them about the possible outcomes of their earnings – such as a toy or game they've been wanting.

Earning tips for primary school kids:

- Find a way to incorporate their passions, because if they enjoy the earning activity, they'll be more motivated.
- If it's an activity you're paying them for, consider what amount you're willing to pay, what is appropriate for their age and how long the activity will take them.
- Help them earn smaller amounts more often rather than large sums of money infrequently so their efforts become habitual. Aim for one small money-earning endeavour each week if you can.

Earning activity ideas for primary school kids:

- Cooking and selling food to family and relatives.
- Fun household projects, like growing a veggie patch.
- Minding the neighbours' pets while they're away on holidays.

RYDALMERE OSHC CENTRE

SCHOOL NEWSLETTER INCLUSION

June 2016

As we are near approaching the end of Term 3, we will be wrapping up the Term at OSHC with an end of term multicultural party planned by the educators, Cathy and Isabella. They will be planning some party foods and focusing on a particular culture, and will embrace this culture with the children to ring in the holidays!

We will be finishing our 'Bay Run Boo Ga Loo' series, which was a reoccurring activity that we did each week with the children, in order to prepare them for the final challenge at the end of the term! Week 9 means the ultimate test of endurance for the children! Depending on their age group, they will be aiming to run their expected laps and try to get the best time within that age group. The children have been doing preparation for this each week with fun physical game challenges and by strengthening their stamina by running the laps.

We recently had a community visitor, called Yen Cleary, come in to the centre one afternoon to practice meditation with the children. They loved her! She taught the children different meditation poses, and played some relaxing music for the children to unwind to. The great news is that Yen loved coming in to visit the children and says she would love to return again in Term 3! You can watch this space to hear more about that...

Please feel free to pop in and visit. If you might be considering enrolling in OSHC in Term 3, we have enrolment packs at the office that you can ask for.

If you would like more information regarding enrolment and fees, you can contact the service with the contact details below. Please keep in mind that if you are entitled to receive CCB and CCR, you will be exempt from paying the full service fees.

Families can contact staff at the Centre by calling 0419 816 734 or emailing ryoshc@primaryoshcare.com.au. Our centre manager, Alison, can be contacted directly by emailing alison@primaryoshcare.com.au.

Best wishes from Cathy, Isabella, and Alison

RYDALMERE OSHC CENTRE WEEKLY SUMMARY

Date: 14th- 17th June 2016

Hi Families,

Welcome to our weekly summary of Rydalmere OSHC Centre.

This week we have acknowledged the following community events – Australian Childcare Week and World blood donor day.

The children absolutely loved the community visit last Friday by Yen who ran a meditation session with them. Yen taught the children different forms of meditation to help them relax and think. Yen correspondingly taught the children various different meditation poses to copy, following this all the children copied the poses she had just shown. All the children thoroughly enjoyed this unique experience and they would all really love to participate in meditation.

PROGRAM

This week's highlights

Continuing on the children's interests in art and craft, we programmed adult colouring of a cute friendly owl. The children coloured the owls in with some bright beautiful colours, they looked just like real owls sitting in the trees. Since the children really loved the meditation session run by Yen, we did our very own meditation session for Music Wednesdays where we put on some calm relaxing music for the children to meditate to. Following up on the Popsicle ice block craft from last week, this week we did a similar activity with a slight twist instead of popsicle ice blocks we made popsicle lollipops. They all looked so sweet and colourful. YUMMY!

This week's menu:

Tuesday – Chicken Noodles

Wednesday – Wraps with spreads

Thursday – Vegetable sticks, crackers and dip

Friday – Nachos

There is always fresh fruit available during afternoon tea

RYDALMERE OSHC CENTRE WEEKLY SUMMARY

Date: 20th- 24th June 2016

Hi Families,

Welcome to our weekly summary of Rydalmere OSHC Centre.

This week we have acknowledged the following community events – End of Term Sustainable Function. In spirit of the sustainability we spoke to the children about what it means to be sustainable and why it is so important for the environment for now and the future. The children loved showing their creativeness through the recycled doll house that they got to build, it looked just like a real house but smaller.

If you are interested in changing your days for Term 3 please inform either Cathy or Isabella as we require 2 weeks' notice. Thankyou.

PROGRAM

This week's highlights:

The children loved participating in something different this week, it was a cute child friendly crossword where the children had to match the animal to the number on the crossword then find the secret sentence. It was great to see the children work in teams to solve the crossword. The younger children especially loved building their own train tracks and pushing the trains all around the wooden track. Extending on the animal crossword the children had the opportunity to complete a cool find a word that was a bit harder than the crossword. For Fitness Thursday the children had a blast participating in the Bay Run Boo-Ga-Loo games where they played in teams against each other, they will be sad when it ends as they have come a long way with their fitness. We will however continue with all of the new activities that they enjoy!

This week's menu:

Monday – Crackers with dip

Tuesday – Toasted cheese sandwiches

Wednesday – Chicken noodles with veggies

Thursday – Cruskits with spread

Friday – Nachos

There is always fresh fruit available during afternoon tea

The children building cool robots with the Lego

The children having a groovy dance off
