## RYDALMERE PUBLIC SCHOOL

Learning is Growing

Dear Rydalmere PS & Preschool Parents,

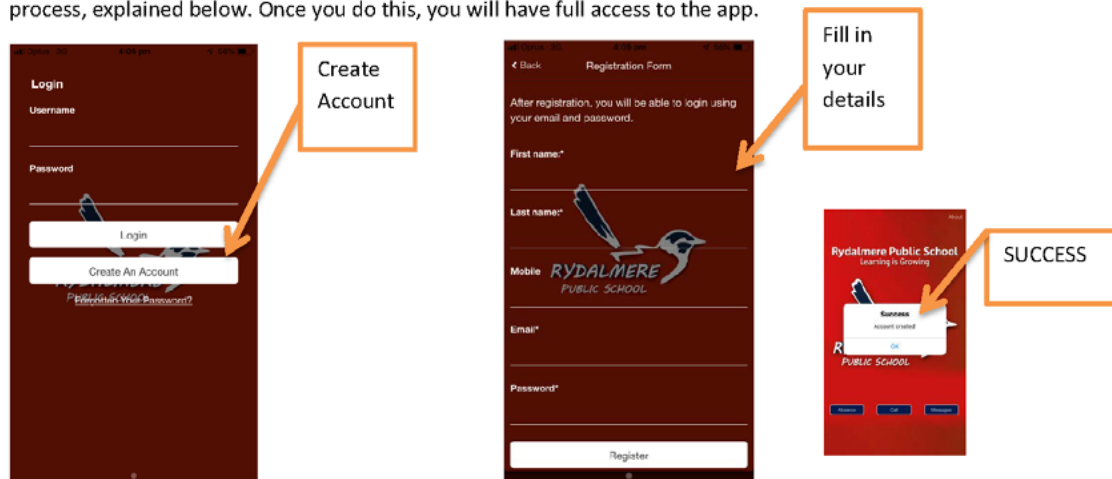

We are pleased to present our brand new app for both Apple and Android devices. After much instability with our previous app, we have moved to a new developer who has completely re-built our app. Much of it remains the same (except it is better!!), but I am sure you will notice the new interface.

### Two important announcements for different device users:

1. **Apple devices** – you **DO NOT need to download the new app** – apple will simply send it through to you as an update. If you do not receive updated automatically, please go in to the apple store and select 'update'.
2. **Android devices** – this is a completely new app for you. **You DO NEED to download the new app.** Please go into your Google store and download the new app. Please make sure you delete the old app. Please note, the new app has the same name with the word 'app' added on to the end of the title.
3. This QR Code will give you access to our app in both the Apple and Android stores. Remember apple users, unless you are putting the app on to a new device, you don't need to download it again – just update it.

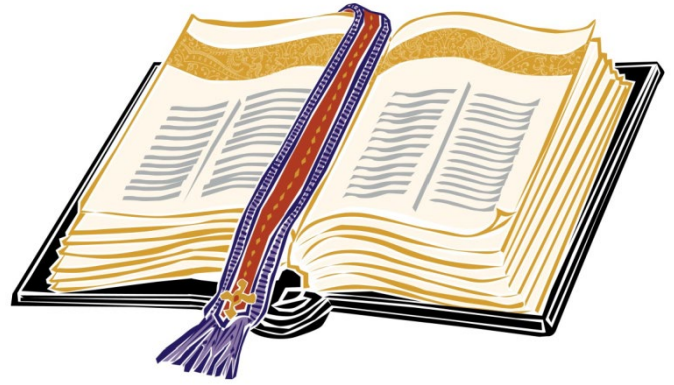

One new feature is that the first time you access the app, you will be required to create an account. It is a simple process, explained below. Once you do this, you will have full access to the app.

If you need any help with this – please ask and we will gladly assist you 😊  
Thanks,

**Bek Zadow**  
Principal

# Environment Club

## WREN Club Kicks Off!

Our first WREN Club meetup was held on Monday 24<sup>th</sup> June with 17 enthusiastic students, 3 excited parents and 2 helpful support crew! The first task was to come up with what WREN stands for.. watch this space for the reveal next newsletter! We also played an animal game to help get to know each other and did a litter pick up blitz around the school.

This week, we will be spending time in the veggie garden and sharing our ideas for what activities and projects we would like to do as part of the WREN Club.

ALL PARENTS of WREN Club members are welcome (and encouraged) to attend (if possible).

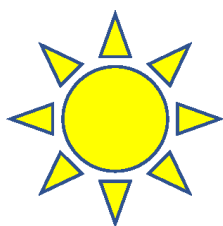

# BREAD TAGS *for wheelchairs*

How many bread tags do you use a month? Guessing a fair few! Did you know that 500kg of bread tags can provide 2-3 wheelchairs for people unable to afford them?! It's all thanks to a fabulous initiative where donated bread tags are collected, recycled into products and the money raised from these products is used to fund wheelchairs. Plus think of all the landfill that is being reduced!

**PLEASE donate your bread tags by placing them in the school canteen order box. They'll then be stored in a collection tin in the Canteen and dropped off to our local collection point - Posy and Twine Florist in Telopea.**

## School Holidays Fun!

You're invited to join us in the veggie garden for activities and play these school holidays on Wednesday 10<sup>th</sup> July from 1:30pm to 3:30pm. We'll be making a vertical herb garden and planting seeds, plus other fun things. This is a great chance to learn more about the garden and help it grow!

## What's Growing in the Veggie Garden?

The garden is loving all this rain! But sadly it's been under siege lately and so we've had to put netting around some of the garden beds to protect our veggies from birds and other animals.

Beans

Spinach

Carrots

Lettuce

Pak Choy

Garlic

Onions

Beetroot

Strawberries

Leek

Cabbage

Rocket

Blueberries

Peas

Passionfruit

Potatoes

## Chickens on the Loose

Our chickens are being let out again to wonder around the school grounds, when we're working and playing in the veggie garden. So if you see a chair in front of the open gate, and no chickens inside, don't worry! The chickens have just been let out for a walk and will be returned to their coup soon.

# SCHOOL BANKING

## School banking at Rydalmere Public School

Teaching generations of young Australians the importance of good saving habits since 1931.

It's amazing how quickly Term 1 went by and we're already well and truly into Term 2. The Commonwealth Bank of Australia has received some great feedback on this year's Polar Savers rewards and plenty of students have already redeemed their first reward for the year. My own son has been saving regularly with the goal of obtaining the Snowy Origami Set. Available in Term 2, we have two new reward items from our 2019 Polar Savers range for students to redeem: Yeti Fluffy Notebook and Icicle Slapband Ruler.

For those families who already participate, thank you for supporting the School Banking program at Rydalmere Public School. Thank you for helping the kids at our school develop a regular savings habit with School Banking.

\*\*\* Remember that banking day is MONDAY \*\*\*

For those families who would like to join, there are three options:

1. **Apply at school:** contact the school office for an application form, or contact Paula (banking co-ordinator) at paula.britz@gmail.com or 0420 668 020 for assistance.
2. **In Branch or by phone:** Ermington Branch, 9 – 11 Betty Cuthbert Ave, Ermington, NSW, 2115, or (02) 9684 4344
3. **Online:** If you have a Commonwealth Bank account you can apply via Netbank

**For assistance with school banking, contact the school office, or Paula at paula.britz@gmail.com or 0420 668 020**

## COMING TO OUR SCHOOL
