Username and Passwords for Department of Education Portal

Dear Parents and Carers,

Most of our students, particularly Years 2-6 are proficient at logging on to the portal. K-1 are still very much learning and sometimes, Years 2-6 forget. To help with this, we have created login cards for all students. These will be handed out on Monday 23.3.20. For students absent on that day, we will email the login card to the parent email we have on file. If you do not receive this by 3pm on Monday 23.3.20, (or if your email address has changed and you've forgotten to tell us) please email the school on rydalmere-p.school@det.nsw.edu.au and we will email it to you.

As a general rule, login usernames are structured in the following way:

firstname.lastname
OR
firstname.lastnamenumber

As an example:

bek.zadow
OR
bek.zadow22

Passwords are set for each class and will be on your child's login card.

Just to reiterate my words in the previous letter: I am proud of our students, I am proud of our staff and I am proud of our Rydalmere PS community. I know this is a challenging time, but if we stick together, work together and practice kindness, we will learn much more than we ever knew about our strength from within. At Rydalmere PS, we don't enrol children, we enrol families – you all become a part of our 'village'. To my RPS Village – I am with you and our staff are with you 😊
