

# × Rydalmere Public School + Online Learning Resources

LEARNING IS GROWING....EVEN IF IT IS ONLINE!!

+ Please note: to navigate this website, click on the arrow to the right to go forward and left to go back.

Canva

We are proud to announce that we have our very own website specifically dedicated to the Online Learning we offer at Rydalmere PS. Here you will find:

- Information and video tutorials on Google Classroom
- Information on Adobe Connect
- Online English and Mathematics Resources + video links
- Online resources and links for other Key Learning Areas

This will be constantly updated to reflect current learning. We hope this is useful to our families.
