Zoom fun!

Please keep an eye out on our Google Classroom stream the day before our Zoom for some fun ways we can enjoy our meetups. For example we might say “Everyone wear something red on Wednesday”. If you have any ideas let your teacher know.

PBL

Everyone has been assigned a PBL card. Earn your blue wrens by being safe, respectful learners. Your teacher will award you a blue wren and let you know by a private comment that you have earned a blue wren. Once we get back to school, we will count how many blue wrens you have earned through home learning and add them to your PBL card at school. To see how many blue wrens you have earned, go to your google classroom, click classwork and open the PBL folder to see your chart.

Assembly

Whole school assemblies will take place every **even week** on **Fridays at 2pm** via Zoom. We have scheduled an assembly for Week 6 Friday 20th August. Use the Zoom details below to join our assembly. Merit awards will be announced and these awards will be emailed directly to the students email account.

Book Week 2021 is fast approaching! While next week (Week 7) is the official Book Week, we will be watching a live streamed performance this week on **Tuesday 17th August**. Please see the Tuesday column on the timetable for details on how to view this performance.

National Science Week

It is National Science Week from 14-22 August. The school theme for National Science Week 2021 is *Food: Different by Design*. It honors the United Nations International Year of Fruits and Vegetables and the International Year of Creative Economy for Sustainable Development. Mr Quach is organising an exciting activity for K-6 to complete. This will be available to view on Google Classroom Thursday at 4:00pm, ready for Friday.
