PBL

Everyone has been assigned a PBL card. Earn your blue wrens by being safe, respectful learners. Your teacher will award you a blue wren and let you know by a private comment that you have earned a blue wren. Once we get back to school, we will count how many blue wrens you have earned through home learning and add them to your PBL card at school. To see how many blue wrens you have earned, go to your google classroom, click classwork and open the PBL folder to see your chart.

Catch up Friday

Friday will be used as a chance for you to catch up on any work you haven't completed for the week. If you have finished your work, have a look at the "Optional Activities Folder" on your Google Classroom where you can choose what you would like to do OR you can engage in your own home creative play! If there are any activities on your sibling's Optional Activities you would like to do feel free to pick and choose! :)
