

Weekly Bulletin Week 1

Zoom Social Meetups and Zoom Teaching Meetups

This term we are introducing a teaching Zoom. This will be a great opportunity for your child to get instant feedback from their teacher on their work. The Zoom session will involve the class teacher giving instructions and modelling on a topic, students completing an activity and the teacher providing feedback.

Wushka

Students will not be assigned a specific book this term on Wushka. They will have access to their reading level plus the level below or above to select a book from. Please encourage your child to read their book out loud when it is scheduled on the timetable.

Completing Work

Students will continue to be assigned a Completed Work Document. This term they will also be assigned Google Slides or Jamboards where they can complete their work. This is to assist students to complete tasks more efficiently. You are still welcome to print worksheets and have your child complete their work on paper and upload photos to their Completed Work document.
